SCHOOL BUILDING TASK FORCE

CHARGE: To Collaborate and develop a consensus on two or more building and/or renovation options for grades PreK-5 and present them, with cost estimates, at the May 2007 Annual Town Meeting

--March 2006

Duties & Scope of Charge

- Agree on Needs
- Prioritize needs and determine cost
- Don't reinvent wheel: use existing info
- Provide sufficient space for 10 yr enrollment
- Space for prek-5 should meet today's educational standards
- Minimize cost and tax impact
- Maximize state reimbursement
- Prepare 2-3 proposals reflecting various costs and priority needs that are included

Considerations (part of Charge)

- Retain at least part of grade school operation in or near center of town
- Keep Center as a school
- Include future space needs for gr 6-8
- Examine other grade schools in area to help benchmark land and building space requirements

SBTF research

- Reviewed all previous SBC work, plans
- Met with teachers, staff, community
- Research alternative construction
- Visited other schools
